April 24, 1923.

A reservation designated as the Southwestern Alaska Fisheries Reservation having been created by the Executive Order of November 3, 1922, Albert Johnson, whose post office address is Ouzinkie, Spruce Island, Alaska, is hereby authorized to engage in commercial fishing for salmon, herring, codfish, and halibut, within Zone 3, of the Kodiak-Afognak District of the said reservation, during the calendar year 1923, under the following conditions:

1. That the permittee may operate five (5) 50-fathom salmon gill nets and one (1) 40-fathom salmon beach seine in any of the coastal waters of Spruce Island and Kodiak Island, from East Cape Point, Spruce Island, to Outlet Cape Point, on the northwest shore of Kodiak Island; and may prepare for fox feed a small amount of salmon, mixed species, (humpback, coho, and chum). Fresh salmon may be sold to any purchaser authorized to operate within Zone 3 of the said reservation.

2. That the permittee may catch and prepare herring, codfish, and halibut, on a small scale, for market in all legal ways anywhere within Zone 3, of the Kodiak-Afognak District, except the bays and harbors of the Afognak Forest and Fish Culture Reserve, where herring purse seines, as well as other kinds of fishing gear, are prohibited, unless said fishing gear is manned or operated by natives, or other residents, who are bona fide inhabitants in the Afognak Reservation. Purse seines used in the taking of herring shall not be employed for the taking of salmon within the reservation.

3. That the permittee shall observe the existing laws and regulations for the protection of the fisheries of Alaska and for the administration of the said reservation, (copies of which are attached hereto and the conditions of which are made a part of this permit), as well as those that may hereafter be enacted or promulgated for such purposes.

4. That this permit expires December 31, 1923, is not transferable and is revocable at any time at the pleasure of the Secretary of Commerce.
